MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: Gary Reisner 
Director, Office of the Chief Financial Officer/Chief
Administrative Officer (Acting)

SUBJECT: Certification of NWSPD 1-10, Managing the Provision of
Environmental Information, Dated December 22, 2008

The Strategic Planning and Policy Office has reviewed National Weather Service Policy Directive NWSPD 1-10, Managing the Provision of Environmental Information and certifies it requires no updating during its CY 2012 biennial review cycle.

NWSPD 1-10 and its instructions may be updated within the next year to reflect changes to NAO 216-112: Policy on Partnerships in the Provision of Environmental Information, which is currently undergoing a 5-year review.

Responsibility for the directive is currently held by:

OPR: W//SP - Edward Johnson

Certifier: CFO/CAO (acting) – Gary Reisner

NOAA Assistant Administrator for Weather Services: Dr. John L. Hayes
